FOR A 21ST CENTURY CROYDON, BRINGING TOGETHER
LOCAL COMMUNITIES, GLOBAL FOLK TRADITIONS,
CRAFTING, CONTEMPORARY OUTDOOR ARTS, ALL MIXED
IN WITH THE EVERYDAY LIFE OF THE TOWN CENTRE.**

Look out for your favourites – Vauxhall City Farm; Beeja Dance; Hope the Hedgehog; The Museum of Memorable Trees and of course The Magic Shed. New this year is a multilingual folk music bandstand in Katharine Street. For the first time we will also be hosting two large-scale circus performances – the dynamic Farm Yard Circus and See Saw, a fully interactive sensory circus experience for small groups of young people, including those with complex needs, and their companions. The Croydon Harvest Market has really grown, as well as some great food there will be stalls showcasing local artists and makers, and for the first time we have a Beer Tent - hosted by The Oval Tavern.

This year we are also bringing back a historical Walnut Fair favourite – The Learned Pig - as artist Matt Rudkin presents John Nicholson's Menagerie of Miracles, first performed in Croydon in 1785. This new commission from Culture Croydon explores the theatrical world of fortune telling and fantastical animals (this show may contain puppets).

Whilst you're in town don't forget to check out the new artwork from Vic Lee in the High Street, celebrating 750 years of Surrey Street Market, with lots of fab Walnut Fair history within in it.

We hope you have fun and wish you all a Happy Harvest!
